SFFCU updates

The Harrison Branch is temporarily closed as we have started the demolition and construction process. We are looking forward to opening a brand NEW Harrison branch in **2025**.

Using Shared Branching

Find a branch, **WHEREVER** you are!

- Locate a CO-OP Shared Branch at [www. SantaFeFCU.com](http://www.SantaFeFCU.com)
- The credit union's tellers can handle your transactions, including : check deposits, cash deposits/withdrawals, and loan payments.
- You **MUST** know your Santa Fe FCU five digit account number. If you are unsure of this number, you can find it by logging into online banking. Click on your 01 Share Savings account, then click the  icon to view.
- Please tell them your credit union is located in Amarillo, TX. The Shared Branch system requires the main location for each credit union. You must have a valid driver's license or government-issued ID.
- The following will not be available via shared branching: new loans, debit cards, account issues, loan issues, HELOCs, IRAs, Certificates of Deposit, and more. Please contact us for those transactions.

Debit Card Rewards

- Every Santa Fe FCU debit card is automatically enrolled
- You will earn points for debit card transactions
- Earn even more points by running your debit card as a signature-based transaction
- There are no limits on the amount of points you can earn!

PROTECTING YOURSELF

Unfortunately, with harder financial times also come big scams. Ensure that you are only putting your debit/credit card information into safe and secure websites. Look for: a lock icon to the left of the website in the address bar, a website that starts with https:// (the s is the important part), and a privacy policy. While this may not prevent all online fraud, it can deter quite a few scammers from getting your information!
